Representation of Sri R Ramaswamy, Radio Operator, dated to the Municipal Commissioner, City Municipal Council, Mysore, through the Municipal Engineer, Mysore

---

I beg to bring the following few lines for your kind consideration and favourable orders thereon

I am the radio operator of the Mysore City Municipality put in a service of over 17 years I was appointed as a Radio operator in grade Rs 25-1-40 from 1-1-1944 for looking after and to supervise the Public Radio booths maintained by the Municipality The number of radio booths that were in existence then were only three when I was appointed as the Radio operator and now this has been increased by five more Added to this the hiring of microphone equipment was not much popular and there was a rare demand for this Now that the work of supervision of Radio booths and the work of attending to the microphone arrangements have been increased several folds, I request that I may kindly be granted some personal allowance to enable me to meet contingent expenses during the course of attending to these works In this connection it may not be out of point if I were to submit that wherever the Municipal loud speak arrangements are made there has been only appreciation and nothing else which could testify the efficiency of work Under the above circumstances, I once again request you to kindly consider my case sympethetically and pass favourable orders
